Whereas Tribal Welfare Department has also been running Ashram Schools where boarding and instruction take place under the same roof. The performance of boarders of Hostels has been relatively poor compared to that of Ashram Schools due to the following reasons:

opening Classes VI and VII and will be further upgraded to a High School in the subsequent academic year.

- d) After the school is opened, the boarders studying from Class III to V in other institutions shall be transferred to the newly opened Primary School. However, boarders studying classes VI to X shall continue as boarders and they shall continue to attend schools in which they are studying.
- e) As per Section 27 of the Education Act, 1982, the schools are deemed to have been hereby recognized simultaneously by opening of the schools.
- f) The Hostel section of the school shall continue to function with Hostel Welfare Officer and the Class IV staff as usual.

6. For opening the (50) Primary Schools, (200) teachers posts are required @ (4) teachers per school and the concerned Project Officers of ITDAs shall deploy the posts and allotted to the schools as shown in **Annexure**.
